26) It is also seen that the Board took up the question of acquisition during the year 1937 and deferred it and that the

4) The Board wants to acquire the property, so as to keep it clean and use it as a playground and a park.

5) But it is reported that there is civil litigation in respect of this property and there is also loud protests from the owners

6) Refer. para 20. Supra

7) The facts of the case have been narrated at paras 6 to 9 supra

8) As stated in the petition of the owners of the property, it is true that the question of acquiring the same property was considered by the Trust Board in the year 1987 and was deferred but not taken up again

9) The acquisition is necessitated now on account of the unsanitary condition in which it is maintained by the owners of the property. There is provision under the City Planning Act to issue a notice to the owners of the property so as to secure the fitness & proper sanitation of the area. This may be done instead of effecting the acquisition, as being the lesser of the two evils

It is now stated that the Trust Board while proposing the acquisition was not aware of the fact that the properties being under litigation would not be quite free for the Trust Board to expeditiously entangled in adjudication of the Rent & Hsg money later on for legal work.

Sir,

Subject:- Petition from Mohamed Hayath, Gargeswari Chowk, praying for the cancellation of acquisition of Gargeswari Chowk.

With reference to your Memo No.L.11639 dated 1st June 1945 and subsequent refdrence No.L.1971 dated 13th September 1945 re. the above, I have the honour to state as follows:-

1. The properties referred to above include vacant land with a couple of houses and is located in a most congested locality and slum area in Mandi Mohalla. The place is popularly known as "Gargeswari Chowk" and is a private cart-stand maintained in a very insanitary condition. The Health Officer, City Municipal Council, Mysore, has inspected and reported (copy enclosed - No Hl P R.403/44-45 dated 26th March 1945) that the existance of a private cart-stand in that place is a nuisance to the public owing to the presence and movement of several bullock carts coming from neighbouring villages, that this has not been maintained properly, that the land should be acquired by the Municipality and converted into a play-ground. He has further reported that the locality being congested several poor families are huddled up, that no facilities are given to the public to have a lung space. By converting this cart-stand into a small park and a children's play-ground the health and amenities in the locality would improve. The Trust Board Engineer has also inspected the spot and has opined that the locality is over-crowded and congested, and it would be better to acquire an keep it open as a lung-space to form a children's corner.

2. The Trustees of the Board resolved in their Meeting held on 28th March 1945 resolution No.423 that the properties may be acquired and conve into a park and children's corner, no construction of any building being

P T O.

allowed (copy of Trust Board Resolution enclosed).

3 In response to the notice issued to the owner, Mr.Mohamed Hayath under Section 16 (2) of the City Improvement Act, he has put in the objection petition. The subject was again placed before the Board for consideration of reply received from Mr.Mohamed Hayath and it was resolved that the acquisition of five properties may be proceeded with (Copy of Trust Board Resolution No.18 dated 31st August 1945 is enclosed for kind perusal).

4. The petitioner's contention is that the cart-stand was a charitable endowment, that himself and his people would be put to much difficulty by acquisition of the property and if permission is granted he would put up shops etc. This may not however solve the need for a play-ground or a lung space It is also seen that there is civil litigation about this property between Mr.Mohamed Hayath and one Mr.G.V.Mohamed Khaleel and, so, unless the property is acquired no improvement in the place is possible.

5. The petition with its enclosures received with the letter under advertance accompany.

Letter No.H1 P.R,403/44-45 dated 26th March 1945 from the Health Officer, City Municipal Council, Mysore, to the President, City Municipal Council, Mysore.

I have the honour to place before you the following facts for your kind information, approval and orders.

1. It is observed that near Gargeswari Chowk, there is a private cart stand, which of course, has become a nuisance to the public owing to the presence and movement of several bullock carts coming from the neighbouring villages As this being a private one, it is also not being maintained properly It is felt very highly desirable that this plot of land should be acquired by the Municipality and converted into a play ground for the children.

2 If so required, the owner of the plot of land may be give some other land in exchange for this one Further, this locality being a congested one, where several poor families are huddled up, there are no facilities given to the public to have a lung space or a small play-ground for the use of the children.

3 Under these circumstances, it is felt very highly desirab that this plot of land, if converted into a small garden and a children's play ground, would satisfy all the above needs.

4 You were also pleased to inspect this place some time bac and you have also agreed to the above opinion

I request you to kindly pass orders in the matter at an earl date

To the Honourable
President Mysore Legislative Council

The Revenue Minister to the
Govt. of H.H.The Maharaja of Mysore,

OFFICE OF THE MINISTER FOR REVENUE & LAW
No. M 922
Date 24/5

Respected Sir,

I, the undersigned, Mohamed Hayath, descendant of Fatima Bi Bi, daughter of Ahmed Khan Sahib, Treasury Bakshi in the reign of Tippu Sultan and Bakshi of Adawalat Court under Purniah the famous Dewan of Mysore, most respectfully beg to bring the following few lines to your honour's kind consideration.

I inherit a property bearing Municipal Door Nos. Musafarkhana 358 Shop, 337 and Chowk 338 which is alloted under Registered Document as a charitable Endowment by the said Fatima Bi Bi (the extract whereof is enclosed herewith for your kind perusal). Since its inauguration by the Endower his heirs and descendants whenever the City Municipality or the Trust Board opened Roads and lanes in the vicinity of the plot, I and ancestors considering the convenience of the public as a charitable work, have suffered the losses of big slices of open land and demolitions of houses without claiming any sort of compensation in the shape of money. Whatever is now left after such encroachments is hardly sufficient to meet the directions of the Endower of the charity.

On two former occasions it was proposed to acquire the plot but on my representation and in consideration of the charitable purpose for which it is being utilised, the then City Fathers kindly abandoned the idea of acquisition on both the occasions. (Subject No.XXII dated 28-7-1937) and the members of our family are ever highly grateful to them.

I being alive to the responsibility of Sanitation of the

P.T.O.

the site and also to the convenience of the neighbouring population have kept it more clean and tidy than any cart stand maintained by the City Municipality. With a view to further improve the site and also to augment the income of the charity as per injunctions of the Endower, I submitted an application along with the plan to the President, City Municipal Council, Mysore, requesting for the grant of license for the construction of a few shops etc., for the improvement of the site and I assured that if any additional suggestions towards its improvement are to be made by the Municipality, I will as in duty bound am ready to carry them out to the point, but I received an endorsement dated 10-8-44 to the effect that the License cannot be granted as the area is proposed for acquisition. I and other descendants of Fatima Bi Bi are shocked to hear the renewal of the old question of acquisition and respectfully request your honour to kindly order the cancellation of the proposal of acquisition and allow the continuance of the charity work as it is and thus bestow consolation and peace not only to the charitable soul of the demised endower but also to her living progany.

The initiation of the charity is not the work of Fatima Bi Bi alone, but it was started by her father Ahmed Khan Sahib after his settlement in Mysore city, in the early years of the fall of Seringapatam, and the above-mentioned document was written and Registered for the guidance of her descendants. Thus this charity continued to be in force in the family for more than a century and to stop it by acquisition is not justifiable in any religion. Though the Municipality may award liberal and special compensation for the plot, the grooses and aniversaries which are observed a century since will be completely destroyed.

Hence I most humbly and respectfully appeal to your honour's sense of charity and goodness to order the cancellation of the proposal of acquisition and leave the charity to continue to its rate undisturbed by ordering the grant of a,

a License for effecting the necessary improvements to the Plot.

For which act of benevolence and charity I shall ever be thankful and be ever praying for your honour's long life and prosperity.

I beg to remain,
Respected Sir,
Your most obedient Servant,

Respected Sir,

We, the descendants of Fattima Bibi, daughter of Ahmed Khan Sahib, Treasury Bakshi in the reign of Tippu Sultan, and Bakshi of the Adawlet Court under Purniah, the famous Dewan of Mysore, most respectfully bring the following to your kind consideration.

337 & 338

We inherit a property Municipal Door No 358 which is alloted under Registered Document as a charitable endowment by the said Fattima Bibi, (the copy whereof is attached herewith for kind reference) Since its inauguration by the endower, her heirs and descendants, whenever the Municipality or the Trust Board opened roads and lanes in the vicinity of the plot, we or our ancestors, thinking the convenience of the public to be a charitable work, have suffered the losses of big slices of open land and demolition of houses without claiming any sort of compensation in shape of money whatever is now left after such encroachments is hardly sufficient to meet the directions of the endower of the charity Once a certain President proposed to accuire the plot for constructing a Bazaar from a private fund for the benefit of some high personality and on a second occasion another president proposed to build a school on the site, but the then City fathers kindly protested and preferred the protection of this public charity to personal interest The members of the family are ever highly grateful to them

A report may be called for from the Chairman Trust Board Mysore Hfd 14/10/45 Addl Secy) 15/X 16/10

Now, we and other descendants of Fattima Bibi, are shocked to hear the renewal of the old question of acquisition, and respectfully request you to allow the continuance of the charity work as it is and thus bestow

consolation and peace not only to charitable soul of the demised endower, but also to his living progeny. The managers being alive to the responsibility of sanitation of the site and also to the convenience of the neighbouring population, have kept it more clean and tidy than many cart-stands maintained by the City Municipality If any additional suggestions towards its improvement are to be made by the Municipality, we will, as in duty bound, are ready to carry them out to the point

The initiation of this charity is not the work of Fattima Bibi alone, but it was started by her father Ahamed Khan Sahib after his settlement in Mysore City, in the early years of the fall of Seringapatam, and the present document was written and registered for the guidance of her descendants. Thus this charity continued to be in force in the family for more than a century. and to stop it by acquisitionx is not justifiable in any religion Though the Municipality may award liberal and spacial compensation for the plot, the virtuous system of performing Fathehas, Urooses and aniversaries which are observed a century since, will be completely destroyed

This fact was brought to the notice of Sir M. Mirza Ismail, the then Dewan of Mysore, who was pleased to inspect the spot and ordered to cancel the acquisition This fact was placed before the Trust Board members and resolved on 29-7-1937 that the acquisition or this site is cancelled

Now this question has again been taken up and acquisition proceedings are being taken. On receipt of notice from the Acquisition officer, I presented several petitions to the Chairman, City Improvement Trust Board As no reply was received by me I presented a petition to Mr O Pulla Reddy, Minister, which was forwarded to the Municipality. The Municipal President told me on the day of your first visit to Mysore, that the question of acquisition of my site has

been deferred

Now I hear that again the acquisition of my chowk has been passed in the Trust Board The President who was addressed to grant me license to improve the site has failed to give me either an endorsement or a license

Under the above circumstances, I appeal to your honour to kindly issue stay order to stop acquisition proceedings and request to inspect the site during your visit at the time of Dasara I am ready to carry out your instructions after your inspection

For this act of kindness, I shall be ever grateful

beg to remain,

Respected Sir,

I, the grandson of Fathima Bibi, daughter of Ahamed Khan Sahib, Treasury Bakshi in the reign of Tippu Sultan and Bakshi of the Adavlet court under Purniah the famous Dewan of Mysore, most respectfully bring the following to your kind consideration

I inherit a property bearing Municipal Door no 337, 338 and 358 which is alloted under Registered Document as a charitable endowment by the said Fatima Bibi since its inaugeration by the endower, her heirs and descendants, whenever the Municipality or the Trust Board opened roads and lanes in the vicinity of the plot, our ancestors thinking the convenience of the public to be a charitable work, have suffered the losses of big slices of open land and demolition of houses without claiming any sort of compensation in shape of money whatever is now left after such encroachment is hardly sufficient to meet the Directions of the endower of the charity

This was once proposed for acquisition which was cancelled by Sir Mirza Ismail, then Dewan of Mysore after personal inspection and perusal of documents The question of acquisition has once again been taken up and it is reliably learnt that the records have been sent to Government for orders

In this connection I beg to state that I applied to the Chairman for grant of license to construct steps in the front portion as per revised designs to improve the beauty of the site My application

was not considered, I submitted several reminder petitions which were also not received due consideration Then I saw the President personally and explained him the real situation who promised that the question of acquisition has been deferred Now I hear the members of the Trust Board have resolved to acquire the same I belong to the respectable Mohammadan family, who is giving shelter to the poor and feeble out of the income derived from this plot I am employed in the Revenue Department as Kotwal

In this connection I have given an application to your honour by registered post on 24-9-45

I own no property except this in the Mysore State If it is lost the members of respectful family will have to come out in the streets for begging I hope that your honour will protect the interest of old gosha ladies who are maintained by the income of this plot

Under the above circumstances, I beg to further state that the plot is very clean and tidy which could be seen at the time of personal inspection In the meanwhile, I request your honour to pass stay order till final orders are passed after spot inspection

For this act of kindness I shall be ever grateful

Re Acquisition of properties bearing D Nos 337,338,339,340 and 358 in Block I, Mandi Mohalla, "Gargeswari Cart-Stand" for children's playground

---

With reference to your letter No L 4259 dated 27th November 1945 re the above, I have the honour to state as follows -

1) The cost of acquisition works up to Rs 10,524/-

2) The Trust Board while proposing the acquisition was not aware of the fact that the properties were under litigation Further, as already explained in my letter dated 24th September 1945 the necessity for acquisition has been explained which is due to the insanitary condition in which it was maintained by the owners thereof By acquiring this spot the Trust Board gets the ownership and the locality will be kept clean and used for children's play-ground and a park to serve as lung space and recreation and thus supply an urgent want

3) It is seen from the extract of the Trust Board Resolution(enclosed) No XXII dated 23rd July 1937 that the subject was taken up by the Board and was deferred and was not taken up again

Subj.- Acquisition of properties bearing D Nos 337, 338, 339, 340 and 358, in Block I Mandi Mohalla, "Gangeswari Cart-stand for Children's playgrounds etc

Dear Sirs,

With reference to the correspondence ending with Your letter No B 2 C- 170/44-45, dated 26-1-46, on the above subject, I am desired to state that, it is seen that properties in question are under litigation and it would not be expedient for the Trust Board to get itself entangled in a litigation of the kind and spend money later on for legal and

It is also stated in Your

WD 03697—GPB—30 000—2 2 40

letter that the Trust Board while proposing the acquisition was not aware of the fact that the properties were under litigation. The Board had considered the question in the year 1937 and had deferred it and did not take up the acquisition

The Cost of acquisition of the properties would be Rs 19,524- which is also heavy

Having regard to the above circumstances I am to enquire whether the Board, particularly in acquiring this area and if so, whether the Cost of acquisition will be met out of the normal grants of the Trust Board in the current year's Budget

An early reply is requested

SIR,

Re Acquisition of Gargeswari Chowk in the Mandy Mohalla, Mysore

Adverting to your letter No L 3909 dated 13th September 1946 re the above, I have the honour to state that, the petitioner Mr Mohamed Hayath is one of the owners of the property under acquisition viz, Gargeswari Cart-stand In the Office Note dated 25th March 1942 re the renewal of a License issued in favour of Mr Mohamed Dastagir, it is stated that the Cart-stand and the buildings were meant for charitable purposes, and that a License was issued to Mr Gulam Dastagir with Municipal Engineer's No L 1962/1939-40 dated 6th April 1940, that a portion of the property was sold by the sons of late Mr Gulam Dastagir to one Mr Mohamed Kaleel, that the latter's petition for renewal of License was refused on the ground that the Vendees had no right to vend the same as they had only a right to enjoy the property, and that they should settle their dispute in a Civil Court etc (Vide Municipal President's No L 1328 dated 13-8-1942)

Though Mr Mohamed Hayath is agreeable to improve the buildings as per plans to be approved by the Board, License cannot be granted in view of the fact that there is a counter-claimant to the same property Further, the area after acquisition will have to be utilised as Children's Playground; which also serves as a lung space and this area cannot be improved without acquisition As several claimants have to establish their rights in respect of this property, the property will be acquired and the amounts of compensation deposited in the Court under Section 30 of the Land Acquisition Act There is also a civil suit pending in the Munsiff's Court between the parties viz, Mohamed Hayath and Mohamed Kaleel

The Minister

to the Government of Mysore,

Respected Sir,

I beg to bring to your notice that the Mysore City Improvement Trust Board intend to acquire for alleged public purpose the house bearing Municipal Number 358 and shop No 337 and the vacant plot of ground bearing No 338, situated in Kalamma's temple street, Mandi Mohalla, Mysore These properties belonged to one Fatimabiamma, daughter of Bakshi Ahmad Khan, who was the Treasury Bakshi, during the reign of Tippu Sultan She executed a registered Will dated 17-9-1872, declaring the properties as family trust properties, to be used as a resting place for travellers and appointing her first son Jamadar Mahamad Hayath sab and then the other members of her family, as trustees to carry out the trust Since then, the decendants of the said Fatimabiamma have been managing the properties left by her, as trust properties, according to the directions contained in the Will The Mysore City Improvement Trust Board had intended to acquire the properties on several previous occasions The petitioner as manager of the trust made several applications to the then Chairman of the Trust Board and also to the Ministers concerned Acquisition proceedings were dropped on all those occasions Again the Trust Board intend to acquire the properties knowing them to be trust properties and seem to have prayed the Government for granting money and sanction The petitioner is the present manager of the trust and has to prevent the illegal acquisition by taking timely and necessary steps If the properties are acquired, the object of the trust will be frustrated and the petitioner will be unnecessarily driven to litigation involving hardship, worry and expenses For the foregoing reasons, the petitioner, humbly prays that orders may be issued to the Chairman, Mysore City Improvement Trust Board, not to acquire the properties, as they are trust properties

This plot was inspected by your honour on my previous application and were pleased to inform me that a license will be given to me for constructing shops etc , in a neat design I have not received any endorsement on the subject so far My neighbours who own small

P T O

bits of houses have managed to secure licenses for improving the buildings I cannot find out the reason for ignoring the claims of the petitioner, who belong to a respectable family

Under the above circumstances, I request your honour to kindly pass orders to cancel the acquisition proceedings of the Trust property and to issue me license for improving the building as per design approved by the Municipality
